

RESUME

HELLOO

I am a Visual Communication Designer, learning and dancing my way through life. According to me, doing what you love with passion is all that counts. My journey has always been driven by a deep passion for creativity and design. With each project, I aim to bring a fresh perspective and commitment to excellence.

WORK EXPERIENCES

Boch & Fernsh
Graphic Designer & Visualiser
July 2023 - Present

Creating branding themes, designing logos, crafting mood boards, conceptualizing marketing campaigns, storyboarding for video production, leveraging generative AI for efficiency, and always meeting deadlines.

SoCheers Infotech
Graphic Design Intern
Jun 2022 - Aug 2022

Creating social media concepts and pitch decks for brands like Star Gold, TCS, Star Movies, Lupin, and MiniTV, alongside creating a billboard design for Godrej, while gaining hands-on industry design experience.

CDS Kenya
UN Volunteer
Feb 2021 - May 2021

Volunteered to develop a cohesive branding theme, design engaging social media and blog visuals, create interactive videos, and redesign the logo for a fresh brand identity.

Samagra Foundation
Design Team Lead
Dec 2020 - March 2021

Designing and developing social media concepts, leading a team of designers, and coordinating efforts to ensure cohesive and impactful brand visuals.

Alpine Technologies
